### MAAS Quilt Competition Rules and Regulations

1. Competition is open to all quilt exhibitors.
2. The judging criteria are included in the “Judging Standards” fair book.
3. Quilts may be entered in three categories: hand quilted, self-guided (domestic/mid arm) – fabric is manipulated by hand under the machine, or track (mid/long arm) – this includes where the machine rides on wheels and moves over the fabric and is hand guided. No computer programmed quilting will be allowed. **The quilt must be completely quilted by the person submitting the quilt. No commercial quilting will be allowed (machine quilted by someone other than the exhibitor).**
4. Quilts must have an appropriate title and give appropriate credit to pattern designer if not original.
5. Quilts must be clean; any with stains and/or markings; pet hair will not be accepted.
6. Quilts must have a perimeter of at least 240 inches (590 cm) to be considered for the competition.
7. A fabric quilt label must be attached to the bottom right corner on the backside of the quilt entry. Labels must be covered at all judging levels.
8. Quilts must be delivered/packaged in a durable and labeled clear plastic bag for handling.
9. Quilters must sign a release form when the quilt is entered at the local event.
10. A Judges Score Sheet will be distributed to all Societies which must be used to judge the quilts. Any quilt not scoring 70 or more points will not qualify for the District or Provincial competition.
11. Each Society may select up to six quilts (2 hand quilted, 2 self-guided and 2 track) at their fair to participate in the District Competition. Up to a total of six quilts will be chosen at the District Competition to go on to the Provincial Competition.
12. Exhibitors may enter more than one quilt in this competition. However, they may only have one hand quilt, one self-guided and one track quilt advance to the Provincial competition.
13. Any quilt may be entered in competition at as many fairs as the exhibitor wishes. However, it may only represent the Society where it was first entered in the Provincial competition and won. The exhibitor must advise Societies at the time of entry if the quilt is a winner at a previous fair.
14. If an exhibitor does not wish to participate in the Provincial competition, the runner-up quilt with a score higher than 70 will be selected to represent the Society in the District competition.
15. At the District level prize monies will be awarded for the top quilts in each category. At the Provincial finals, there will be prize monies in the Hand Quilted, Self-Guided and Track categories.
16. All District Winners/Provincial Entries will be held for display at the Provincial Quilt Finals; and are encouraged to be available for the 2017 Red River Ex. Quilters will be responsible to deliver/pick up their quilt(s).
17. MAAS will take the utmost care of the quilts; however, quilt owners are responsible for insuring their own quilts, if they so choose. The sponsors, Societies and MAAS will not be liable for damage or loss.
18. For more information – contact: [maasquilts@gmail.com](mailto:maasquilts@gmail.com) – phone 204-269-7892 and leave a message.
