

YOUTH IN PHILANTHROPY

Youth in Philanthropy is a program designed to introduce young people to the concept of caring for your fellow man. The program is funded three years by the Thomas Sill Foundation and three years by the Hamiota Foundation with the support of \$3,500 per year. Under the guidance of Foundation board members and HCI staff, the student committee will learn about the granting process, from setting policy and criteria, to awarding their funds to deserving organizations. The 2019 YIP group proudly presented grants to Hamiota Collegiate Drama, Midwest Recreation District, Mid-West Arts Council and the Kenton Community Park Project.

Mark Your Calendars!! November 16th is the Endow Manitoba 24 Hour Giving Challenge.

The Winnipeg Foundation is once again hosting the “Endow Manitoba” campaign, the annual initiative designed to promote community foundations, province-wide. Along with the Winnipeg Foundation, the Province of Manitoba has given notice that they too will match funds. This means that our Foundation will have the opportunity to receive \$2 for every \$5 raised, to a maximum of \$4,000. What an opportunity to bring in outside funds to the community! The Foundation is once again kicking off the Endow Manitoba challenge with a **Toonie Lunch** on Friday, **November 15th** at the hall. Come out for a bite to eat and support the Foundation. Last year \$109,964 was raised during the Challenge so let’s surpass this amount!
