## **TIPS AND INFORMATION**

Other funding opportunities may include:

Louis Riel Capital Corporation

Women’s Enterprise Centre of Manitoba

Private investors (family or friends)

Fact: Sources of small business financing- most business start-ups need to have some of their own money and need some financial help.

## **Some Steps from the Community Futures Westman Small Business Start-up Checklist**

Step 1 – Find an idea that fits you, your personality and lifestyle.

Focus in on your strengths and weaknesses. Why you want to do this.

Are you knowledgeable about the business service and product, is it needed, will people buy or use it?

Step 2 – Test your idea and target market.

Service area?

Who are you selling to?

Competitors?

Price of your product / service?

Survey potential costumers

Step 3- You need to provide a business plan with a projected cashflow.

Include a cover page with business name and contact information.

Business objective and summary of the plan (executive summary)

Business location

Product and service information

Management and staffing details

Industry Overview

Marketing Strategy

Financial plan and cash flow.

The stronger the business plan the more likely that you will receive a loan/funding- do your homework.

Did you know?

Most entrepreneurs need to secure their own financing. There are rarely grants available. Be resourceful.
