Hamiota Seniors Council would like to thank the Hamiota Community Foundation for the grant towards exercycles. The cycles are now part of the fitness program offered at the 55+ Centre. They are already quite popular at the Centre and can be used at any time by members. We appreciate the Foundation's support towards this as it promotes physical activity to our senior community. Please take note of the clock at the front of the 55+ Centre & R Store. Thanks to the **Hamiota Community Foundation** for the grant to get this up and going again.

Lilac residents enjoyed a Pancake lunch on April 24th. The Buddy's met on April 19th. Ross Mathison performed at Park Residence on April 20th and at Lilac on May 2. So nice to have Ross back. April Cochrane has also been volunteering her time to call Bingo at Park. Judy Lyn Kirk has also been in to call at Lilac. We appreciate our volunteers greatly and are so fortunate to have many. Please reach out if you'd like to help out in any way. We are always in need and it can be quite self rewarding.

Activities have been going strong at the Centre with morning exercises, exercycles, cards, bingo, pool and Tech days. The card group and bingo will discontinue now that the weather is nicer outside. These programs will resume in the fall. Please remember you can still get your own group together for cards anytime. Tech Days have been going strong with Mr. Crampain and his grade 10 students. Everyone is enjoying this great group of kids!

Seniors Council was able to help out The Oakdale Heritage Senior Residence with some needed supplies for their kitchen. Hopefully this will help out with some of their community gatherings in their lounge area.

Stamps

Jo Ann Ramsey

For many years, the Hamiota UCW collected "used" postage stamps. These stamps were trimmed and sent to an auction with proceeds going to Leprosy Mission Canada. This program was revived in the fall of 2022. Stamps were collected at Hamiota United Church, Hamiota Thrift Shop, Lilac Residence and Park residences. Some people had been holding on to their stamps for many years. The stamps were collected and trimmed (they need to have paper borders of 1/4" to 1/2" on all sides) and given to Kay Lelond of Miniota in February of this year. Over 850 trimmed stamps from Hamiota were added to a box collected and mailed in by Miniota United Church. Over 430 stamps with no borders were also included but there has been no word about whether they can be used. The total weight of used stamps sent in by the two churches was 5 pounds.

Stamp wholesalers pay \$10.00 per pound for the trimmed stamps. The goal of the Leprosy Mission of Canada EFFECT HOPE program is to raise \$6000 each year which will allow them to cure 60 leprosy patients.

The collection sites are still active and over 200 stamps have come in since the February mailing.

All monies paid at the auction go to the Leprosy Mission Canada.

Hamiota United Church

The United Church's worship time is 10:00 on Sunday mornings. If you are interested in a baptism for someone in your family contact Rev. Noel at 204-764-2845.

To celebrate the year end of another Sunday School year we will be hosting a Pot Luck lunch on Sunday, May 28th. Coffee Sunday is June 4th.

As summer is fast approaching, Sunday Services will not be offered during July. Rev Noel will be available some of the time so please feel free to contact him .

The **Hamiota Thrift Shop** invites you to shop on Tuesdays and Fridays from 2-5 p.m. During the month of May, we are offering 2 for 1 on ladies tops. Each day there are new items arriving, and some only stay in the shop for a short while before someone takes them home. Our thrift shop is run by volunteers and the money raised is donated to various charities. We accept clean clothing, small kitchen appliances, housewares and linens. At this time, we are short of linens. **Hope to see you at the thrift shop soon.**

New carpeting was put down in March, and Hamiota Volunteer Fire Department received a donation for their assistance in removing the old carpet and the heavy shelving units. Thank you to the guys that helped us with that job. Thank you to Darryl Dixon for installing new baseboards and to Cal Harrison, Danny Therrien and Edward Beamish for their enlisted help.

A moment for families with Pastor Orland

Matthew 11:28-29 NKJV

28 Come to Me, all you who labor and are heavy laden, and I will give you rest. 29 Take My yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls.

This passage of scripture is good medicine for weary souls. We can't simply do more to get the rest we need. Rest for our weary souls does not come from a vacation, or another hobby or sport. It comes from unburdening ourselves onto Jesus and walking daily with Him. Jesus is not angry or aggressive and as the fruit of the Holy Spirit grows in our lives we become more like Jesus.

Till Next month

Community Futures encourages business in Hamiota By Anne Davison

Community Futures Westman team of three came to Hamiota to talk to the economic development committee, municipal councillors, members of the chamber of commerce, and other business owners about 25 people in total. They want Hamiota people to know about Community Futures services and their role to encourage economic growth in communities. Executive Director Bill Hogan, Business Analyst Kola Oloko and Community Development Analyst Wendy Petersen brought information and answered questions. Hogan has a depth of 22 years' experience in this field of rural economic development. He said, "I love projects, I love people starting their own businesses... I always want to start with youth because I hate for youth to regard self-employment as a fallback plan. Instead, it should be a career choice. There's nothing wrong with being self-employed."

The meeting was held in the Hamiota Arts Centre where striking cowboy themed drawings, oils and watercolours by Oak River artist Carol Forsyth lined the walls. The building, having once been the town's Royal Bank, is itself an example of ingenuity. A re-purposed out of date building has become a classy venue and art gallery. Lasagna and salad were served from the renewed Hamiota Hotel kitchen and it was delicious. The proximity of these buildings worked well for the meal service.

Economic Development Officer Nancy Smith thanked the CFW team for coming to Hamiota and their overall assistance to the community.

Petersen is keen to encourage community projects and kids' quests to be entrepreneurs. She spoke about children's fairs. She said that a children's fair could be adapted to any community.

"When we had one in Brandon, we had girls making jewelry. We had two girls that were making dog treats." They were creating a number of things interesting to other kids, like "slime."

Hogan said of the fair, "The girls selling jewelry even had [Interac technology] so people could pay with their cards.

Petersen suggested the community could encourage a

youth fair by supplying prizes. She said, "We can help facilitate this kind of thing in your community. Like Bill said, there's just a lot of resources and talent and amazing kids out there. When you start them little, it's amazing how that will stay with them forever."

Hogan said the creative girl entrepreneurs were community minded. "They donated part of their profits to charity. Like I keep saying, don't dismiss the youth. They really believe in their community."

Hamiota's 55+ Centre is a shining example of a project that CF helped to get off the ground.

Gwenda Skayman representing the 55 + Centre said the planners for Hamiota 55+ relied heavily upon CFW. "I'd like to say, they helped us with everything from registering our name to getting a program planner, just getting everything together."

Wendy commented, "It's a great success! And I ran a seniors' centre in Brandon for 18 years as a co-op so I have a lot of passion for that."
