A moment for families with Pastor Orland

Romans 12:21 (NIV) "Do not be overcome by evil, but overcome evil with good."

Jesus calls us to live a totally different life than what the world says. Everything in the world says that you are to overcome evil with evil and fight darkness with more darkness; get back, get even, and fight dirty. However, if someone is trying to make trouble in your life, you need to respond biblically..."Do not be overcome by evil, but overcome evil with good." This takes prayer and a step in faith because it goes against our natural inclination to fight back instead of trusting God and responding to darkness with light. You fight darkness with light, you fight hatred with love, and you fight unkindness with kindness...never let evil overcome you. You overcome evil with good. Jesus tells us to love our enemies and pray for those who persecute us. It's not easy, but we can choose to respond the way Jesus wants us to in difficult situations. Jesus gave us the example by laying down his life to show how much he loves us. So don't retaliate, do good! Show love to even the most annoying and hard-hearted person. Pray for them and ask God to change their heart. Choosing light over darkness means walking the way of Jesus.

Till next month, Pastor Orland
