Keeping Our Community Informed

Hamiota Street Dance & Firefighters Appreciation Fundraiser Success

Hamiota residents enjoy the chilly outdoor beer gardens and local musician performances by Rob' n Hell', Cicada and Simple Jack despite the unpredictable weather.

ON

Friday, August 22, 2025 the Hamiota Municipality, Recreation, Economic Development, Hamiota Hotel and local businesses came together and invited our community to join us support our local fire department and families for their dedication and participation fighting the immense fires under challenging circumstances in the northern Manitoba and Saskatchewan provinces this year.

The event took place indoor the Hamiota Community Hall and Hamiota Hotel offered an outdoor beer garden and corn-hole games provided additional entertainment for the patrons enjoyment while kids entertained themselves inside the hall at the kids craft tables.

Our Hamiota Senior Services graciously volunteered to serve our meal; Beef on a Bun, Baked potato, coleslaw and non-alcoholic beverage between 4:30-6:30pm while enjoying some of our local talented performers, Sue & Friends and Rollin' n Tumblin' during the evening meal.

Story continued on page 2

Robin and Helena Davison provided their local talent for the crowd outdoors.

Get Involved. Together We Can Save Lives!

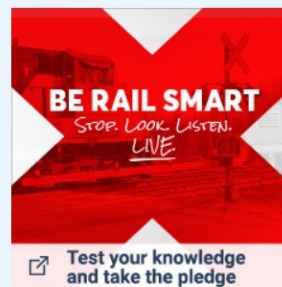

Each time someone crosses a railroad track irresponsibly there is a potential for danger. At CN, we look out for each other. When everyone looks out for those in their communities, we can help eliminate railroad crossing/trespassing accidents.

Tips to "BE RAIL SMART"

- Stop a safe distance from tracks and crossings.
- Look both ways to ensure trains are not approaching.
- Listen for approaching trains.

How can you help?

- Say something! Save the CN Police phone number and call if you witness any unsafe situation near the railroad: **1-800-465-9239**.
- Act as a role model around trains and tracks.
- Share [rail safety tips](#) with your family, friends, colleagues and community.
- If you live in a CN-served community email [CN Safety](#) to organize a safety presentation in your local school.

We Are Grateful for Your Contribution During Our 2024 Rail Safety Campaign

CN Police officers and other CN employees and pensioners, in partnership with community leaders, Operation Lifesaver®, other railroads, and many other stakeholders participate in numerous safety initiatives in Canada and the U.S.

Hamiota Lion's Club News

The local Lion's Club is set for another year. There are 24 members looking forward to helping to maintain and improve the local community. Since mid-June the club has spent \$8550.00 including the money for a palliative bed, renovations at Park Residence, benches and toys for the playground, monetary donation to STARS Ambulance and Forest Fire Aid. We also had a member help Lion's Kid Sight in Brandon to screen for eye-sight problems of children from evacuated areas and being housed in Brandon. The Club is always open to new members and new ideas. The Annual Fish Fry Meal is planned for October 19.

Mayor's Volunteer Recognition

As summer winds down I thought it would be appropriate to highlight one of the Communities main events of the summer, the Hamiota Fair. The Fair has been a staple of events and of course it cannot run itself. The Hamiota Agricultural Society is the main driver of volunteers. The Board supplies many of the volunteers in the form of directors for the event. I normally try not to single out names when I talk about large events as there are a large number of people in numerous jobs that keep the Fair running. I would like to mention a couple of parts of the Fair that have seen volunteers for so many years. The parade has been one of the main events at the Fair and the organizing of this is no small task. The Colli family (Kirk) have been the marshals of the parade it seems like forever. Without their dedication one of the highlights of the fair just would not be the same. Lining up everyone and sending the descriptions down to the announcers on the route must be a chaotic job, but they are able to make it look seamless and do it every year with a smile.

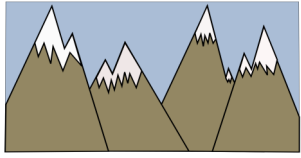

Another person of mention is Linda Wilson. Every year her job starts much earlier than the Fair day itself. Organizing the Fair book and being at the rink the day before to organize the Fair entries are things that may go un-noticed but without her dedication the fair could not operate at such a high level. Linda can be seen Fair day organizing food and other jobs, but it is her behind the scenes work that really makes all the difference. I am not sure how many hours she puts in on Fair planning but those are the things that make the Fair what it is. So many hours on the phone. It is this type of volunteering that cannot be measured.

Thanks to all who volunteer at the Fair every year. From the gate workers, to the livestock show, to the Museum workers and everyone in between. Thank you for the dedication to our community.

The Hamiota 55+ Centre & R Store Board are gearing up for the **2026 Hamiota Birthday Calendar** which is one of our major fundraisers. The cost of the calendars, this year, will be \$15/calendar and our phone committee will soon be calling on you, if you purchased calendars last year, to see if you would like one again this year and if you have any additions or deletions you would like to make.

If you didn't purchase a calendar last year but would like to this year, please give **Gwenda** a call or send her a text at **204-365-7853**. When you purchase a calendar, we add your family member's birthdays and anniversary dates so you will never forget their important day!

Hamiota R Store

If you are someone looking to get involved in our Community by volunteering, then the R Store is a great place to start!

The Hamiota R Store is a volunteer run business that accepts household donations that they price and then sell. All money brought in from the sales goes towards the day-to-day cost of running the 55+ Centre plus helps with some of the programming costs.

The store is open Tuesdays, Fridays and Saturdays from 10-4.

Each of these days consists of two, three-hour shifts.

Duties are to take in any money from sales, record the sales in a book and, if time permits, maybe some dusting and vacuuming (if needed). You can work as often or as little as you like. Training is provided.

If this sounds like something you might be interested in OR if you would like more information, please reach out to **Alana Kent** by calling or texting **204-764-0073**.

A moment for families with Pastor Orland

"And all of this is a gift from God, who brought us back to himself through Christ. And God has given us this task of reconciling people to him. 2 Corinthians 5:18 (NLT)

When Jesus was on the cross, he wasn't just taking our place and paying for the penalty of our sin, he was restoring our relationship with God. He has become our Mediator- the one who brings two sides together. The divide that separated us from God has been bridged and the Good News is that Jesus came to earth so he could bring us together. What an incredible gift! Because of Jesus we can have direct friendship, communion and conversation with God. He wants to be our friend! There is no better time to start talking and spending time with Him than today!

See you Sunday!

Till next month, Pastor Orland

P.S. We have removed our brick sign base to make space for kids to play for our growing children's and youth ministry.

Come celebrate a joyful morning of faith, friendship, and food as we connect as a church family after our summer holidays!

Family Worship Centre

Kids pointed to a solid foundation

By Anne Davison

It was an exciting few days, mid-August, for kids at Hamiota's Cornerstone Family Worship Centre. Led by Pastors Orland and Sheri Usick along with child worker Nadine Slimmon and Lori Harris on technology, Vacation Bible Day Camp, August 19-21 was hard work for the leaders, but the sessions were joy-filled.

True North, Trusting Jesus in a Wild World, was the theme with the sanctuary becoming a woodsy camping scene, complete with a log cabin. The program was geared to point kids to God and to his Son Jesus as an unmovable, unshakable forever friend.

A team of eight teenaged helpers and 10 adults sang, prayed, played and enjoyed noon meals (prepared by the Wurtz family) and snacks together with between 30 and 32 kids on each of the three days.

An afternoon dip in Hamiota's beautiful swimming pool rounded out each day's program.
